A photograph of a person's hands washing a dark, round bowl in a stream. The water is clear and flowing. The hands are visible, one holding the bowl and the other rinsing it. The background is the rocky, flowing stream.

```

  return isMatch;  
}  
}
```

A photograph of a stack of open antique books. The books are heavily aged, with yellowed and browned pages. The text on the pages is in a large, formal font. The books are stacked in a somewhat haphazard pile, with some pages visible. In the background, there are tall wooden bookshelves filled with many more books, creating a dense, scholarly atmosphere.
